The golf outing fundraiser was created by Dr. Melvin Pierson of Pierson Dental Associates to address the areas of need within the medical field. There is a shortage of both dentists and nurses and proceeds for this event will provide financial incentives for students to pursue a career in those areas. The requirements for the scholarship are as follows:

- Students must be currently enrolled into an Institution of higher education majoring in or taking prerequisites toward Nursing or Dentistry with a minimum GPA of 2.5.
- Students should be from our local or surrounding areas.
- Students will be required to provide proof of enrollment and be in good standing within the Institution of higher education.

If you are interested in participating or volunteering in the Pierson Dental Scholarship Golf Tournament, call 856-728-9200 or email us at piersondental@gmail.com
